

‘Clogherhead’ flavour crisps are now on the market!

THE PEOPLE out in Oriel Sea Salt in Clogherhead are certainly putting their business on the map.

They have teamed up with potato crisp company O’Donnell’s to produce an Irish Sea Salt flavour, direct from Clogher! O’Donnell’s are based in Tipperary and have been producing crisps for a few years.

Their products can now be bought in places like SuperValu, Centra, Spar and Dunnes.

The Sea Salt joins flavours like Mature Irish Cheese and Red Onion, Irish Cider Vinegar & Sea Salt, Sweet Chilli flavour, Jalapeno & Sour Cream, and Hickory Barbeque

Now, on top of that, the Oriel firm has been supplying ‘Sea Salt Bricks’ to the meat industry where it helps age the beef.
